January 2014

Godt Nyttår to all Sons of Norway Officers and Members,

As the Sons of Norway co-chairman for the Norwegian American 17th May Committee of Greater New York I wish to inform all the Sons of Norway members of the Third District the status of 2014 parade. The parade will again be on Third Avenue this year rather than Fifth Av, everything else remains the same. The theme, pins, line up positions, marching applications and information for the journal and booster lists are as follows.

The theme for this year is simply ”200 years of Democracy” however 2014 is a very special year for all Norwegians, our 200 anniversary of the Constitution signing at Eidsvoll. A symbol of this event is the Sløyfe and wearing it on Syttende Mai. Accordingly the 17th of May Parade Committee has adopted the tradition with their 2014 pin. It’s a pin with a red white and blue Norwegian flag pattern ribbon attached that is special for that special day.

Because this is such a special year the Parade Committee has also planned for a celebratory Dinner Dance on May 10th in Bay Ridge. Please see the announcement flyer attached.

As the past General Chairman for the Parade I look forward to both communicating and hearing from you concerning all parade issues. I plan to communicate with the lodges regularly but please feel free to contact me with any questions or concerns you may have. PLEASE review all of the following information with everyone at your Lodge meetings.

My contact information is as follows and I can be contacted anytime;

Once again the parades Ways and Means Committee are selling them for $5.00 each. See pin consignment and distribution arrangements on page 2.

Ways and Means: In addition to aforementioned pins, the Ways and Means committee is again offering an attractive gold colored Norwegian theme ornament on a gold cord that can be used during the holidays but with many times as well.
